“ *My fondest memories of the Whittenhall family is when they would come to Wisconsin and spend the 4th of July weekend up at the Kontny place. They would pitch tents and sleep underneath the stars. I remember when one of the kids had a firecracker go off in his hand and Aunt Eleanor and Frances and my mom(Joan Kontny) were placing butter on their fingers. We would go out and play as our parents would play cards most of the night.*

It was the same for the Kontny family would visit the Whittenhall family in Bowlingbrook.

Ken Whittenhall and my father(Richard Kontny Sr.) cooked a large pig and it seemed to be all night. I can still remember when (Fran) Frances would yell with her load loving voice that she need some ice or something she had forgot to get at the store to one the kids. Or at weddings you could always hear her anywhere.

I will deeply miss Ken and Frances Whittenhall. But I will always cherish the memories they gave me and my family forever.

My deepest condolences to the Whittenhall Family
