“ Jessica, Mark and families - with deepest sympathies on your father's passing. It's been a few years since we've seen each other, but having known you since gradeschool, these trying times bring us right back to play dates after school, thru college and after. It resonates how wonderful our parents were to help pave the way for us and how precious they are. We are forever grateful. You're in my thoughts and prayers. Laurie Miller-McNeill, Danville, CA
