“ *Gen was a study hall supervisor at Washington Middle School when
I was school librarian there in the early 1970's. I remember her as a
genteel, caring lady who was always trying to get those junior high
kids to have manners and behave. I wondered if it wasn't a losing
battle at times. She was calm and caring and genuinely interested in
student's welfare. I have very much lost track over time but it was a
pleasure to know and work with her. You have my deepest
sympathy on the loss of a great lady. Mary Hauge*
