“ Uncle George was a man of many words and loved to share his life with thoughts around him. His faith in God was ever strong even when times were rough. Always enjoyed the conversations with Uncle George in person or on the phone. I know Pam will miss the Pamy Pooh greeting; understand that Uncle George was the ONLY one that could get by calling her this. He will always be in our hearts.

Uncle George you are one of our guardian angels as we look to the Heavens above.
