“ Cheri,
I was blessed to play music with Jerry at the Villa. He was talented and always fun to be around. He and my father, Don, were quite a comical pair. I remember that when we moved to Montana in 1994, Jerry made several cassette tapes of the 70's radio station in Chicago for me. It must have taken him hours to accomplish, but he was always so friendly and helpful. My prayers are with you and the rest of the family..

I remember as children the 4th of July parties at the empty lit next to your house, and the fights we had at school and being called to Sr Bernard's office. You were so honorable and would take the blame every time. I will never forget how you saved a love one of mine. God bless you. You will be missed by so many.
