“ Jerry and Sandy were our neighbors in Aurora on Evans Avenue. We had so much fun playing hide and go seek (at night) kids and adults . We were such close friends especially Linda. My bff My dad Emery and Jerry almost knocked each other out running for home base during hide and go seek. Such wonderful childhood memories. Campfires, making pudgy pies, skateboarding down the hill with no helmets. Shooting hoops at 1am. I would yell and he would say shut up you ole grump and just laugh One time I threw a bucket of water on him from the second story window and then a water fight broke out for whomever wanted to join in. Loved their family like my own. I hope hes having a beer with my mom and dad Emery and Audrey Orten. So deeply sorry for your loss Viki Jones. 1-815-498-2015

“ I will always remember my grandpas hugs. He always embraced you as if you might slip out from his arms. Always an " I love you" and a laugh that lights up the room. May the good Lord embrace him into His loving arms the way I've always been loved and embraced by my grandpa.

“ I don't know where to start about my Uncle Jerry. First and foremost, my love and heartfelt condolences go out to you Robb and your family. Please tell Connie, I am so sorry. All he had to do was to walk in a room, and it lit up. Every time he came out to Arizona after we moved here, we had the best time with him. When we were younger, he would always take us to Dairy Queen as he said we needed our "zerts." Oh how I loved him. He was always there for us. When I was going to get married, I really wanted him there. He never hesitated, and came out in June to Arizona in a 115 degree heat and wore a tuxedo to be a Groomsman. He was sweating, but boy did he make my wedding day. The last time I saw him was when his Sister, my Mom passed away. As always, he came out to be with all of us. I wish I could be with all of you as you celebrate his life, but he's reunited with his parents, and my Mom now. My love and prayers to all of you, Starr
