“ *Patty,
My deepest sympathies regarding the loss of Jerry. I didn't know that he was ill. I didn't get to know him very well, but he always treated me with respect. I can't imagine what you are going through, knowing how close you two were together. I'm very sorry that I was not able to make it to his funeral. You will always be in my heart and prayers. May Jerry rest in peace. I hope that you can find peace also, which might take some time, but I know how strong of a woman you are. With all the support of family and friends that you have, you will make it through this. May God bless you, and be strong.*

*Your friend forever,
