“ I just found out of Gerry's passing. He was a friend and a old hunting "BUDDY". I will cherish those hunting memories and miss his friendship. Just hard to believe.

“ We at BP just found out about Gerry's passing today. We are sad that we didn't find out sooner but also realize, that was Gerry all the way. I knew him back in the Amoco days when he was one of the "metal-heads" in the basement. Up until the day he finally retired, Gerry was true to himself and his nature never wavered - Gerry was always Gerry. I am so sorry for the family's loss and only wish we could have met personally to share some of the old memories. As Dylan Thomas wrote, "Do not go gentle into that good night, Old age should burn and rave at close of day; Rage, rage against the dying of the light." And I see Gerry, with guns blazing.

“ I'm so sorry to hear about the loss of Jerry. I worked with him at BP and he was a funny, unique guy. I regularly received emails from him after he retired, and when I noticed I hadn't gotten one since July 25th, I thought something may be wrong. I hope the service was nice, and I'm sorry I could not attend. - Kristen
