“ We lived next door to Jack and Gladys from 1988 to 1997. They were wonderful people...kind, generous and interesting. We lost touch after we moved but will always think of them as the nicest neighbors we ever had.

“ Gladys and Jack were the nicest people we knew as children of the Park Family(Paradise Inn). They always gave us Christmas gifts as children(9 of us) when we visited their home on Union Street next to their store. The memories of their friendship will remain with me forever.
