“ Dear Nathan and family, I am so sorry for your loss, I can't imagine the pain you must be feeling, although we have known each other briefly it doesn't mean I don't love you and care about your family, I am sending you and your entire family prayers, you are in my hearts and I pray each day you will share your memories of your precious Haley, and each day life will become a little easier to continue to live with less pain. I'm always here if you need me. Love your Cousin
