“ My deepest condolences to the Santos family. I knew Hector for so many years working with the ITIN and outreach programs. He was such a kind individual, seeing him work with the community, you saw how much he genuinely cared and enjoyed the smiles on the faces of so many people grateful for his time and assistance. He will be missed, not only in the office but the community as well. My prayers and heart go out to his lovely family.

My memories of Hector Santos are from Chicago in elementary school. He was Valid Victorian in our 8th grade graduation. He was intelligent, respectful, and religious. He always said hello whenever we walked pass each other in the neighborhood or school hallway. I was so pleased to know he did well in life. He will be missed. Bless his family. “ My sincerest sympathies for this great loss of Hector Santos. He would come from time to time doing ITIN outreach during mobile Mexican Consulates in our area and "back in the day" (~2000) ITIN application wkshops.

He had such a caring and helpful manner with the people and so intelligent, but overall humble as well. Such a great help to many! He will surely be missed! May God surround you with peace and love during this difficult time!

“ I had the privilege to meet Hector Santos when I worked as Vice Consul of Ecuador in Chicago during the past four years. Hector was part of an IRS team that came several times to the Consulate to instruct our constituents on how to fill out tax returns and the use of the ITIN. He had a nice smile that inspired trust. He was such a nice person, caring and always willing to help others. May he rest in peace.

“ Mr. Santos was my friend's father. He was always so welcoming to his children's friends and so easy to talk to. He and I would always talk about photography or videography as we both had similar interests in them. I always appreciated his kind-heartedness and relaxed personality. He will most certainly be missed by myself and my parents. My condolences to Jess, Lorraine, and Daniel.

“ I worked with Hector in the late 80's until the time that the Midwest Regional Office was abolished in the 90's. We were together in the Regional Procurement Office. Our entire team at the time including John Carmondy, Iva Williams, Marilyn Francesco , many others and myself were honored to be invited and attend Hector and Lorraine's wedding. We celebrated his birthday, wedding, birth of his children and so many other events. Hector was a quiet gentle man, a great worker and team player. Hector was always friendly, greeted you with a smile and never spoke a harsh word. I pray for the entire Santos family and for Hector's peaceful transition of his soul. Until we meet again my dear friend. Karen Schmitz Starkman

“ Hector always had time to say hello and ask how everyone was doing. We will always remember his frequent walks with Cooper and the care he put into raising him. He shared his photography skills with our family on multiple occasions. About a week ago, while he was walking Cooper, he stopped to talk with Mark. He told Mark how much he enjoyed walking past our house and seeing our Christmas tree. I can only imagine all of the other things he noticed on his walks with Cooper and found joy and beauty in them too. God bless the Santos family as they grieve Hector.
