“ *From Me to You
As Your Laid to Rest Today*

If Roses Grow in Heaven

*If roses grow in heaven,
Lord please pick a bunch for me,
Place them in Helen's arms
and tell her they're from me.*

*Tell her I love her and miss her,
and when she turns to smile
place a kiss upon her cheek
and hold her for a while.
Because remembering her is easy,
I do it every day,
but there's an ache within my heart
that will never go away.*

*Thanks for 50 years of happy times and wonderful memories
God Bless You
Janet*

That was a beautiful prayer. Thanks so much for that special poem. Mom loved us all and had a special place in her heart for you. I know we will all miss her for the rest of my life. I take consolation in the fact that I will see her again. She is home with Dad now and she waits for all of us left behind.

Love always

“ Bob, Gloria and families, my favorite childhood memories include many of your mom. Her infectious smile, generosity to an always-hungry boy and wonderful laugh will never be forgotten by me. When I married and my family, my wife, Christine and I spent many Friday nights enjoying Helen's non-stop energy at Gaslight. We made it a point to be in her area because she always shared memories, laughs and her wonderful spirit. I consider it a privilege to have know her, been the recipient of her kindness (and her wonderful cooking) and learning how to be a loving parent. She was one of a kind.

I only wish I could share my condolences in person.

Thank you so much Don. We really appreciate it. I will also remember all the kids at our home thru the years that my mom considered her own. She loved us all. I also feel very lucky to have had her in my life for so long. She is at finally at rest with my dad and probably playing cards with her whole family.

Again thanks for your uplifting message.

Sincerely

“ I don't think I have a single childhood memory without Gramma in it. She and my mother, her only daughter, have taught me everything I know about being a mother, and an only daughter. Now that I have an "only daughter", I can only dream of being half as good as Gramma and Mom were. Gramma taught me what real love is, integrity, faith, loyalty, and most important, how to embrace life with laughter! She put her whole self in absolutely everything she did. She taught me about hard work, and that nothing truly good comes without it. She taught me how to make all our favorite Hungarian dishes, and the "choice" words too! ;) Of all the people I will miss, Gram is among the most! So many memories I will never forget, but have to share just one: Gram and I used to take every Monday I was off of work to go "running"(shopping, errands, lunch). One Monday just before noon, we ended up at the deli counter in Eagle to buy lunchmeat. We were just chattering on like we do, joking. I don't recall what I was teasing her about, but she answered to me in "Hunky", basically telling me where to put it! I responded appropriately. We were both cracking up when the man behind the counter teased, "Such obscene language from such pristine ladies. (he winked)" Gramma looked at me like OMG, and made the sign of the cross because she thought he was being serious! HILARIOUS! Every day was that much fun with her...I will miss you 'til I meet you again in Heaven. I love You, Gram, Godspeed!

I'll miss her everyday, just like I do Dad. But they are together with all that went before them, including your Mom and Dad who they loved a lot. Wish you could be here, but I know your spirit will be with us all. Please tell Jim and family I miss them too.

Thanks again Jim for all the thoughts and prayers for Mom. She loved your family and talked about you and Jake often. I'll never forget the trip mom, dad, and I took in the 90's to Arizona to see all of you. I'm so glad we had the opportunity to do that before dad passed away.

Thanks for your prayers. They mean so much at a time like this. I will always remember as a little girl being at Aunt Ehel's house to visit with mom and dad. You always had pop on the front porch and Aunt Ethel always gave us a bottle. We never had that at home. All good memories with Uncle Jake and Dad having a beer in the kitchen and playing cards.

Love to you and Char and your family.
