“ I saw a woman that looked like you today and it brought me the most comfort and joy. Remember when I gave you that angel frame with a picture of me in it? It was before we moved out of your house, I think it was when we moved to Batavia - it may have been Texas... I wrote a little note on a ripped piece of paper saying, "It is you, I love" and told you that all the time because if it was ever the last words I spoke to you I wanted the last one to be love. I love you so much. I hope you've introduced grandpa to dove bars. - Cheyenne <3
