“ My first taste of what a special woman your mother was is when she sent a HUGE coffee pot and donuts to our Saturday morning paralegal class. Who does that, weekly! She always had the sun tea brewing when we arrived and breakfast going the morning after what ever shenanigans we had been up to to night before. She made everyone feel like family, she was the original "Mama". Thank you for sharing her with us. She is clearly still busy in Heaven, she managed to get the Cubs to the Series. Hugs and prayers to each of you. Joanne Kloeppe!

“ Weiler Family,
I was saddened to read about the loss of your mother. She touched my life years ago when I was involved with cub scouts and girl scouts. She was always willing to help me, to guide me, to give of her time and herself - always with a smile. May your memories of her be a source of joy and healing. You are in my thoughts and prayers. “ I will always remember how sweet Aunt Helen was.

My fondest memories are playing at their house and drinking orange and grape pops.

I remember the keeps and Uncle Don's pipe.

I remember my father, my brother and I traveling late night - early morning and her awaiting our arrival.

She was the sweetest person ever and has touched many lives.

May God embrace her into his loving arms with a message to her saying " job well done "

Much love to all.
