“ *My Aunt was a very loving and kind woman. She always could see the good in people. I know she is at peace and doing a lot of catching up with her mom and dad and many other family members that greeted her with open arms. Someday we will see each other again but until then I take great comfort in knowing I have another 😊 to watch over me. I have wonderful and funny memories to keep in my heart and cherish forever. I was so happy my Dad could be with his sisters on his recent visit to Illinois. May my Uncle Jack, cousin Jack and cousin Linda find comfort and peace in this time of sorrow as they remember the beautiful woman my Aunt Maddy was to so many people. May you carry her love in your heart forever.
