“ Adam and family, although very brief we are glad we were able to meet this beautiful woman, and are very sorry for your loss. I know it is easy to say "she's at peace"; however, knowing it leaves all who loved her in "pieces". Please accept my sincerest sympathies on your loss.

“ *Maria, Mike, Ed & Sons,
Our life in Aurora was filled with the loving Rivera family. We so enjoyed Sundays with Hippie’s bacalao dinners & later on Maria teaching me how to make pasteles with the plátano verde! Derick still loves them. Our PR music, dancing with Iris the first on the dance floor & beautiful smile. Miguel shared no his garden tips with me, Mike’s generosity with rides to Waubensee & Ed throwing Derick up in the air much to his giggling delight. We were so welcomed into your family & we will always be grateful for all of you in our lives. Iris is at Peace now though she will be dearly missed.
Salud, Amor, Abrazos y Besitos,

In this life you were suffering so
I have precious memories of our lives together
And the joy you brought to our lives forever
You're in my heart , and I love you so
Until we meet again

“ I'm so sorry to hear of Iris's passing. I know she'll be truly missed. Last year, I was talking to a classmate from Oak Park School where Iris worked in the 70s. He asked me if I remembered her and I said of course, since her parents were my sister's godparents. He said all the boys in our class had a huge crush on her. Of course they did!
