“ Dear Family of Jimmy Joe. It was with great sadness that I heard of Jimmy's passing today. Though I have not seen him for quite some time, I will always remember the joy he brought into my life. Just yesterday I was at a thrift store and saw an old Sears catalog. I immediately thought of Jimmy and how he loved them - especially if they came in a big shopping bag! Such simple pleasures... Jimmy and his family sincerely touched my life. My heartfelt condolences.
