“ Our deepest sympathy to the family of Jim.
Jim was our father's Guardian Angel. Dad loved him, as well as the Perez family children.

We wish to thank the family for sharing your loved one with us.

We just found out this sad news this morning. My brother in WA came across the obit.

Our prayers and thought are with all of you.
May dear Jim rest in peace. His laughter and smile will always be remembered.

Love and Peace,
Connie and Bill Johnson

“ I was deeply saddened to hear about Jim's passing. Jim was a source of inspiration--always smiling, always welcoming, always happy to see people. He was one of the few people that see the good in other people and take the joy out of every day. This happiness came from a good heart, a great sense of humor and a knowing that he was loved by family and friends. I can't remember Jim without a smile and without a welcome. He touched so many people in such a positive way.

Glady, Sheila, Cindy, my sincere condolences to you. Jim was a positive and nurturing force. Take heart in knowing that your husband and father lived life to the fullest with joy, a smile and a laugh and that is how he will be remembered by those of us that knew him. May we all pass through life as graciously and generously as he did.
