“ Hi Janet,

There's not a day that goes by that I don't think about you. There is always something that reminds of you I miss you too so much. When I come to IL I will place Corey next to you even if I have to dig the hole without anyone seeing me do it. But he should be with you. Corey was a great dog. He will be by your side once again when I get down there this summer. I Love and Miss You. Love your sister Jean

“ Hi Janet

It has been 5 months and it seems like yesterday. I miss you so much but you would be very happy Corey is doing great he sure misses you though. When we go home he looks for you and mom. I sure don't know how it going to be when we cant go to the house anymore. But I will still visit often even if I cant go to the house anymore. It sure will be hard not to drive in the driveway. Sure have a lot of good memories there and so not so good ones. But it will always be home to me. I'm sure mom is happy now I'm sure you, her and dad are having coffee together now. I Love and miss you all very much. It really hurts. Your sister Jean

Hi Janet,

Were does time go

I miss you so much you would be happy to see Corey he is doing so good loving the pond. He swims just about everyday. He has lost about 15pounds. Still wont go up the stairs but that is ok he is the downstairs watch dog. Everyone enjoys Corey Glenn even takes him walking with him. Cork has done a great job with all your stuff .. You and mom were suppose to come up here this summer. I know your here in spirit just not the same as seeing you both. I know the girls miss you Steph has that picture of you and her on the hay bale. You would be very proud of Steph she is working three jobs this summer. Rachel will be going to camp next month. Janet this whole thing sucks. You, mom and dad not here. I miss all of you very much. Love you Janet Jean

“ My sincere sympathies to Jan's family. She was the person who knew who was who and what was what at FVDTC. I appreciated seeing her photo tribute where her love for her dogs and her family is very evident. Dog people are special. She will be missed by all who knew her.

“ Jan was probably one of *THE* most positive people I've ever met. Never had a cross word about anyone, or any thing.

As a competitor I always loved to compete against her because we both knew that it was always friendly competition.

You touched a lot of people.

I'm going to miss our Sunday night chats even though half the time neither one of us had anything really newsy to say. I found this photo of you and Tahoe. You came over the morning after I brought him home from Colorado as a 7 week old puppy in December of 2002.

*Thinking of you always,

“ Jan was such a constant presence at FVDTC. I respected her commitment to her dogs and the group. I always enjoyed talking with her on clinic nights and know that losing Jan leaves a huge void in so many lives not easily filled.

With deep sympathy-
