“ I only worked with Jason for a short time at aurora packing but thanks to him i have the nick name rabbi. But my favorit and last memory of him will be when he stoped in a couple weeks before his death to say hi to us. He asked if i wanted a beer and when i told him i dont drink beer he call me a pussy till i told him i drink jack then he took it back. My condolences go out to his family, he will be greatly miss by all who knew him, and im glad i got the chance to know him even if it was for a short time.
