“ *Tim & Cindy,
My deepest condolences for the passing of your Mom. I am glad we had a few moments on Sunday where you could share your story of her with me. I'm sorry I could not be at your Mother's service, but I look forward to praying with you for her and Sheri this coming weekend.. and we will pray hard then! We are so blessed to have the support of our inipi family, as I'm sure you know, but I want to say I'm certain your Mom and Sheri both are happy too that we have them and their support. They can see that we will be cared for now on this side, even as we pray for them on the other side, and I'm sure it gives them cause to smile. Know that your Mom will not suffer any more, and is surrounded by love and probably great laughter. I know you're sending her in a good way, and you will always have her memory in your heart.*
