“ *May you rest in the arms of our lord and savior. Always a kind word for me and how is your family doing. As I think back on my youthful days on Pigeon Hill, Jean and Gerry always were fun to be around. Gatherings at St Joe's or a event at the Phoenix Club were made better because they were there. My condolences to the family, she will be missed by you all, but, never let her spirit leave from your hearts.*

“ *Well, Heaven gained a truly amazing woman. Aunt Jean you were one of the sweetest people I knew and you'd help anyone in a heart beat. Thank you for being a great sister, an aunt and for being an outstanding Godmother. Your journey the past several years was not easy but you stayed strong and pushed through. Enjoy being reunited with Uncle Jerry, your dad and Grandma and Grandpa Adam. You learned from all of them and I know they were waiting with open arms to welcome you home. We'll miss you here on Earth but know you're always with us. Love you Aunt Jean.*

“ Jean was a dear neighbor and friend. We spent many a night on her front porch visiting until dark. She was also a great cook and we shared many meals including Thanksgiving and Christmas together. I am so grateful her daughters were able to come and help her transition from this life. I know how much she missed and loved them. May you rest in peace.

“ To my beautiful, beautiful sister. Jeanie, thank you for all the memories we shared through the years – some sad, but mostly happy. Of all of them the most precious is doing the supper dishes – MaryAnne, you and me. Making up songs and singing. To this day I never mind washing dishes because of those wonderful times we had. And now Jeanie, think of it, you get to raise your beautiful voice with the angels. You always let me borrow your clothes on the days we had our school uniforms cleaned. (Even though you didn't always know I borrowed them.) You were always there for me and I'll never forget that. These past eleven and a half years out in Byron you did something I could never have done. You truly made the best of an unbelievable situation. I am so proud of you. My grandkids had such a great time with the games you had for them when we visited. It was such fun. And now, I say good-bye and I love you more than you could know. Say Hi to Mom and Dad (Daddy Gene – for whom you were named.)

“ Mom, I am going to miss you more than you know. I hope you found some peace in the next phase of your existence and aren't in pain anymore. I'm so sorry you suffered for so long and I wish it would have been easier for you, but then it would not be your story. I am proud you were my mom. I really hope you get your beer and pizza buffet with birthday cake (not dropped on the floor) in heaven. I hope you also popped dad in the nose for me. Love you always, Kris, Jay, Duncan and Dexter.
