“ *What a joy to have been a friend of Jeanne!. She brought many smiles to me as when I would call my friend Jeanne from my bowling team and I would accidentally call her. We would laugh together when I would tell her I called the wrong Jeanne... but it was always a joy talking to her. I will miss her sweetness at church and the Hessed House. R.I.P. Sweet Jeanne.*

“ *Mama you mean so much to me. Thank you for being my friend for the all these years. We got through some tough times together didn't we? I already miss your text messages, morning & night. I will miss you every Sunday at church, especially when it time for me to clean the service way and I would say "I be back" like Arnold Schwarzenegger. I'm so happy that you are finally with The Holy Trinity and Dad, I know how much you have missed him throughout the years. Give him a big kiss and hug from us. Peace be with you! All my love. “ *Please accept my deepest sympathy on your loss. Although I've only known Jeanne (aka, "Boss Lady" as I affectionately called her) for 6 six years serving as a Soup Kitchen volunteer, her care and concern for the Hessed House residents will always remain a constant source of inspiration to me. I was a Soup Kitchen volunteer because of her. She brightened my Monday mornings. She will be always be loved and sorely missed.*

“ *Jeannie and I have been friends for many, many years. We worked together at Smilie Insurance Agency and have been very close friends since then. I am so saddened by her loss, but I know she is with her Art now and I'm sure she is happy. I will miss our talks and visits. Blessings to all of her family. We all loved her.*

“ I am so sorry for your loss, but it is heavens gain! I was not only privileged to know Jeanne, but also your dad. We were in the same class at East Aurora and your dad played football with me. Your mom was a very special person not only to me but to so many people. I can still see her as she walked the halls at the "Old East Aurora." She had so many friends in school and even more in the community. Be assured that she is in good hands and that God has loved her since before she was born. Keep your memories close at hand and share your special moments with others. Jeanne was a special ;lady! God bless her family!
