“ Dear John,

Sad news is one of the toughest things to handle and you don't know what to do. In this tragic moment, losing people we love could be a lot of pain.

I hope you remember all the joyous moment you shared to Jeany. Let the memories be the consolation you had with her in this deepest time. Death is not a fleeting disappointment you shoved aside, you will heal eventually.

Thank you John and your family for everything. Thank you for loving Jeany unconditionally.
