“ *I met Joan a year after moving to Aurora and couldn't believe she was an 80 yr. old; so much energy and always on the go. It was so difficult for her to go through this past year because she didn't want to give up her life style. She tried so hard to be herself, she fought hard and gave it her best. What a great bean bag baseball player!! Will miss her.*

“ *GG, as my grandchildren called her, was a woman of such energy and zest for life. I recall the last time she came to Colorado two years ago and she was playing games with the children. Beautiful woman of faith, she and I had wonderful discussions about the Catholic church and our love for it. I will miss this remarkable woman. I am very glad to have shared just a brief glance of her life. Eileen Barnes , mother in law to Alyssa Fielding Barnes*

“ *Much love and prayers always to Terry and the entire family. Now that Joan's pain and suffering has ended and celebration of her life begins, may you each find comfort in knowing not only the peace she now has but that she has left you with the gifts of her love, her heart and all her time spent here on earth. Your memories of her and what she instilled in each of you will always live on. May God, our Heavenly Father, bless and keep you all. Julie Hammond*

*My deepest sympathy and prayers to Sister Mary Jean, Pat, and Joan's children, grandchildren, and great grandchildren! Joan was quite a woman, and I always enjoyed visiting with Joan when Sister Mary Jean would come to Aurora to visit, as Sister Mary Jean stayed at her home. She always gave us ideas on new places to go for lunch, new stores at which to shop, and new scenery to check out in Aurora. Know that she is in the arms of God, at peace with no suffering, enjoying the beatific vision, and being with her Mom, Dad, and other loved ones who went before her. Be assured of daily remembrance in prayer in the days ahead as you continue to grieve the loss of this dearest loved one.
