“ Joanie and I meet several years ago, I would bring her magazines and books weekly from the Aurora Public Library. I have since moved on and live in Charlotte NC we stayed in touch writing each other daily. I loved Ms. Joanie she was funny, sweet, kind and loved making you smile. She loved her family and friends deeply. I'm heartbroken that my friend is gone but I know that she is making people laugh in heaven. So glad I got to love her.

“ It is so fitting that Joanie is smiling in her obituary photo. That is always how I have pictured her since we worked together at Thor MANY years ago. It was always a special day whenever our paths crossed over the years. Though I saw her rarely in the last 20 years, memories of our friendship and so many laughs still make me smile. God bless all of you. You were blessed with a special mom.
