“ I was sadden to learn of the passing of Joyce. I worked with her for many years & considered her one of my best friends. Several months ago, I spoke with Joyce on the phone when she said she had to go but she would call me back. After a few days, I tried to reach her, but kept getting voice mail. I really will miss her & I know she is finally at peace & not in pain anymore.

I'm sorry that I will not be able to attend her funeral tomorrow as I have several health issues of my own. My thoughts & prayers go out to Joyce as well as her family. She will be missed as she was a great woman, co-worker & friend.
