“ *Juanita is one of the best people I've ever known, and I am grateful for the many years of friendship she had with my mother and then with me. Hearts are heavy around the neighborhood today, which seems empty without her cheerful presence. Our sincere condolences to her family, Lauri & Diane*

“ Me & my pups are going to miss you so much Mrs. Curry. You were always out sweeping your sidewalks. You have been my Moms best friend forever and always there to say a kind word. Although I never thought it would be the last, I will never forget the last wave thru your living room window this past Wednesday while I was walking the pups. Will miss you & your waves, kind words. Love DeNee 'Dee'
