“ Judy and I were childhood playmates from the moment her family moved onto Troy Street. We played together, explored the larger Mt. Greenwood neighborhood together and attended the same schools right up through high school. Our lives shifted after high school and we lost touch with one another as childhood friends often do. Still, I have vivid memories of our early years and remember that adorable face with the sweet smile. Sincere condolences to her family and friends.

“ The loss of a loved one brings much grief and sadness, but the Bible offers so much comfort to help you to endure. One scripture in particular that is very encouraging is Psalm 147:3 which says, "He [God] is healing the brokenhearted ones, and is binding up their painful spots." Knowing that God is with you to help you to make it through this difficult time is no doubt very reassuring.

“ Growing up, Kristy was one of my best friends in high school. We has a lot of sleep overs at her house, and Mrs. Grganto was always so fun to be around and made me feel right at home!! I remember one morning in particular when she made us crepes. It was so delicious and such a fun time. As we grew up and I moved to New Mexico I would visit home occasionally. One of the first visits back, I stayed at their house and Mrs. Grganto made my stay so special, she was so thoughtful....she had the foods I liked in the house and as always, made me feel so incredibly welcome. She was truly a generous, caring women and an amazing mother. I know she will be greatly missed and my sympathy goes out to all of the family.

“ My cousin Judy and I really became close when she purchased her cottage in Conover, WI. Our girls grew up together during the summers when they came "Up North". My favorite memory was when Judy & her daughter (Kerrie) I believe, went out fishing on The Flowage. She hooked a very large musky. This fish pulled the boat across the water with both of them in it ! She caught that musky !!! She laughed so hard when she told that story and she was sooooo proud of her catch ! Also, a large log home was being built on our lake. It was gorgeous ! We NEEDED to see that house. Judy & I took our daughters for a walk down "The Power Line Road " to that log home. We snuck into that home & we checked it out. Here we were in the middle of the woods, sneaking into an empty house !!!! I missed her terribly when she didn't come "UP" anymore. I missed my partner in crime :) Love You Judy.....Love, Debbie K.
