“ To Julia's family,

*You don't know me but I met Julia a few years ago. She had a great friendship with my dad, Arthur Crawford and they spent many early evenings together eating at their favorite restaurant in Yorkville.*

*Julia was a source of comfort for our family as my dad went through a terminal illness in 2015. She provided many days of laughter and fun when my dad was still able to be in his house in Yorkville.*

*I will treasure the memories that I have with this wonderful lady. She truly loved her family and she also truly missed her beloved Gene. I'm sure she is so absolutely happy to be back with him and I hope she is able to say hi to my dad in heaven as well.*

*Julia was a true bright ray of sunshine and she loved being with people. I will miss her dearly.*

*Please know that you are in my thoughts and prayers during this most difficult time.*

*Cathy Raley*
