“ Hi Mom

*It is me again, I am sitting here crying again. This is so hard I think about you,dad and Janet everyday. I still want to pick that phone up and call you I can hear your voice how you would say I Love You and tell the girls Hi. They miss you. Mom I know you know that we have been cleaning the house to get ready to put up for sale. I never thought we would have to do that I thought I would be driving in that driveway for a very long time yet.But I want you to know that it will always be home and I will always come home to visit. Even if I cant stay there after the house sells.I'm sure you know that I try to talked to Cork and Jeff at least once or twice a week. Judy I have not talked with that much. But Jack I talked with him every day many times a day. He misses you all very much. We all miss you mom it is not the same without you. Our hearts hurt so much. we miss that smile and how you would wave as you stood at the door when we would leave the house. We all would beep our horns and you,and Janet would wave goodbye. Mom I know you are here with each one of us.Mom I miss you and I love very much give dad a kiss for me. Tell Janet again that Corey is doing fine he misses you and Janet. He has lost weight he looks good. Well mom I will close for now but I will write again. This helps to be able to do this. It might seem weird to others but it is good therapy.
I Love and Miss You MOM.*
