“ My most memorable time with Aunt Karen was when we all got together for my mom's 80th Surprise party. Karen was to come up with an excuse for mom to go to the club house but mom wouldn't have no part of it. Finally she told her she was surprising her with a photographer to have her pictures done. Mom finally and unwillingly got dressed up and ready. She was so surprised when she walked in and saw everyone there. Aunt Karen saved the day! We had a good laugh about it for a long time! Karen had the most unique laugh and you couldn't help laugh along with her when you heard it. We had such a great time together. It's too bad we didn't have more. I will miss her so much. Love you Aunt Karen and give all my loved ones a big hug from me.

“ Karen was a special person as she truly cared about those she knew. She helped many people through rough times. She loved animals, especially cats. She was not fond of bees but referred to one, who kept bothering her when she sat outside, as her friend the bee. I would ask her, during the season, if she had seen her friend and she would assure me he had visited. I couldn't help but laugh picturing her trying to keep him away. I will miss her humor, her thoughtfulness and her cookies.

“ *My fondest memories of Karen were when she was a child & we called her “Cookie”. We lived many miles apart & lost contact until couple years ago. I know she was a good person because of the amount of friends she has. Wish could have lived closer so we could have got together often. I love her always & pray for strength to her family .. Love to all ...!!*
