

Kathleen "Kathie" Cowles

February 18, 1960 - March 22, 2019

Kathleen Weber Cowles, 59, of North Aurora, IL passed away peacefully on Friday, March 22, 2019 at her home. Born on February 18, 1960, she is the daughter of Linda Weber and the late Dr. Carl Weber. Kathie attended Holy Angels Grade School, Rosary High School and Illinois State University. She spent her entire career at Mindseye Research Group, where she was the Executive Vice President. Kathie's intellect was only surpassed by her quick wit, compassionate heart, and persistent spirit. She enjoyed taking on new creative projects, which resulted in frequenting local craft shows, jewelry shows and flea markets. Her backyard garden and patio offered a respite for many to enjoy. Just as she tended to her garden with care and compassion, she tended to her relationships with her children, family, friends, and co-workers. Kathie was a bright light for many in her community involvement.

Kathie is survived by her children Samantha and Lane Cowles and her son-in-law, Steven Hollon; her siblings Karla (Tim) Feltes, Brian (Sherry) Weber, Kimberly (Mic) Greyer, Lynette (Jeff) Van Meter and Ann Marie (Mark) Harris; her nieces and nephews Elizabeth (Trent), Carlye (James), Michele (Timmy), Anna-Kathryn (Kevin), Micaela, Madison, Brennan, and Emilia; and extended family and friends.

Kathie was preceded in death by her parents Carl Emil Weber and Patricia Hannon Weber.

Donations may be made in her honor to Outreach Community Ministries Christmas Store; Kathie went out of her way to volunteer and give to others during this special time of year.

I just came across the beautiful life of Kathie. I'm from Italy and did know anything about her. But I can tell that she was a so kind and beautiful and respectful lady. The family and all friends were lucky to met her.

“ *Dear Samantha and Lane,*

I've know your mom for many years from softball games to salon memories My heart is aching for your loss... I loved your mom. She was the hardest working, compassionate, best mom ever. She made it happen no matter what. Her drive was amazing but most of all her faith was unstoppable. May God bless and comfort both of you in this time.

“ *I want this to be a message to Kathleen. I've known your son Lane for some time now. He's a light in this world and has only brought me joy. He is an amazingly talented young man with the manners only comparable to an angel. I know that a young man takes on manners and other features from his parents. I know he got these from you and I wanna thank you for this. You raised an amazing young man. God Bless.*

“ Lane and Sam,

*My heart breaks for you. Working with your mom for so many years, I feel as if I know you.. watched your grow up. Your mom has always been so proud of both of you for all your accomplishments. She and I have had a lot of great memories and many many laughs. She could always make me laugh no matter what the situation. We spent a lot of hours traveling for CUFT, with traveling as much together you become family. I loved your Mom, I never let a day go by I didn't give her a hard time about something. She is a very special person and will be truly missed. Please know that you have always been in many of her wonderful stories, a part of her laughter. She will always be close by, this much I'm sure of. Hugs to you.
Love, Amanda*
