“ I kept in touch with Katie via FB but I met her when I was 14. I remember hanging out with her and Mary Arnold across the street at the donut shop in the wee hours. She dragged me out to the boonies when she had her first car. I froze in the backseat because she had the windows down while she chainsmoked. It was Christmas time. The old farmhouse we pulled up too had no heat either. Lol. Katie was an old soul who had been through a lot. I'll miss her and I'll never forget her.

“ My memories with Katie are some of the fondest from my childhood. Playing in the wooded trails between our houses. Trips to Player's World arcade and Funway. Sleepovers in the trailer behind her house. Girl Scout camping trips and week long summer camp at Camp Shaw. Spending our pocket change on jolly ranchers at the High Street pharmacy after school. I am comforted by these childhood memories but mourning for her friends and family that have lost her much too soon. Rest in peace Katie ❤️
