Cathy, I am so sorry for your loss, no one should ever have to suffer the loss of a child. You and your family are in my prayers today, please know I am thinking about you today, and hopes God helps you in understanding why he chose now as the time for her to join him in Heaven. You now have another Angel in Heaven watching over you. God bless you and your family. Miss you, also.

“ *When you walk through a storm Keep your head up high And don't be afraid of the dark, At the end of the storm Is a golden sky And the sweet silver song of a lark. Walk on through the wind, Walk on through the rain, Tho' your dreams be tossed and blown. Walk on, Walk on. With hope in your heart And you'll never walk alone, YOU'LL NEVER WALK ALONE.*

*A face we love is missing
a voice we know is still,
a place is vacant in all our hearts,
that only you could fill.
Tears in our eyes they won't go away,
we wish you were here with us today.
We know you never meant to hurt us,
or to make us cry.
Our love for you will always stay,
if only things didn't end this way.
... But now you've brought it to the final end,
we will always remember you as our friend.
We love you
Rest in Paradise until we meet again.*

Love you Kelly ~ Aydan & Shelly
