“ My condolences to the Regnier family. The loss of a loved one is very heartbreaking, but there exists a hope for the future. Jesus said at John 11:25 "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." Rest assured that Kenneth also has the hope of a resurrection to life right here on a Paradise earth! ~John 5:28,29, Revelation 21:4.

“ I worked at NICOR in the cafeteria for several years. Ken was on of my wonderful friends there. Every morning he would come in and sing "Hello Mary Lou" to me. What a wonderful way to start my day! He always had a smile on his face and a laugh to go with it. He really was a great guy.

I send to his entire family my heartfelt sympathy. I will keep you all in my thoughts and prayers.

Sincerely,

“ My thoughts and prayers are with all the Regniers. I have so many fond memories of the good times spent with your family. I remember spending countless hours in the pool on Russell. Your father will be missed, but I will cherish the memories of him as a strong and healthy man.

“ Ken was one of the really 'good guys' at Northern Illinois Gas (NICOR GAS). During all the decades we worked there, I cannot recall anything but positive, warm memories of a friendly man who always did his best. I am deeply saddened to learn of his death and send sympathy and wishes for peace to his family and loved ones. Blessings to you all.

“ My Condolences to all the Regniers and families, Jenny Balis (Grisso) here. I remember how much when we were young "Mr Regnier" was always happy to have all the kids over, the door was always open, he loved having all his family and all the rest of us friends over, anytime, the friendliest of the "dad"s back then. We knew we felt welcome; and I remember in my teens him telling me from that sofa how he treasured coming home to all the family and more. My condolences are with you all. Hope to see you wed. Jenny, one of Debbie's oldest friends.
