“ *Whether it was playing softball against him, hanging out at the field, or playing golf with him, Leggs, and Wilkie, I always enjoyed his presence. He had a smile and laugh that just seemed to be infectious to everyone around. I will remember those moments forever and my thoughts and prayers go out to his family at this difficult time.*

“ Marcia, Jason and Jeff: I just wanted to let you know I heard of Butch's (a/k/a Hollywood, Link and many others) passing from Mikie. I am so sorry for your loss and heard that Butch put on one heck of a fight, I would expect nothing less from him. Although we do not have the friendship we once had, please know I think of you guys often and you will be in my thoughts and prayers. {{{Hugs}}}

“ Jason and Jeff,

I just started working on a sign for inside of our church here in Michigan when Doug called and told me about your fathers passing. You two are most fortunate to have had Butch for your dad! I had many fond memories with you dad. Two, jumped into my mind while Doug was telling me the news. First is Saturday mornings at 7:00 AM, little league practice, with the Surrey's. We had a lot of fun with you kids. The second was a cold, wet, football game at Wabaunsee High School, and West was getting their lunch handed to them. Both the weather and the score was getting real bad around the beginning of the fourth quarter but your dad was still cheering on the team. Half way through the fourth quarter your dad and I realized that we were the last of the Blackhawk fans left. We just laughed. I think that he called it "character building" or something to that effect. Doug , Matt and I will miss your dad greatly but I know that he is in good hands now. Oh the sign that I'm making for our church. "Good morning. this is GOD. I will be handling all your problems today.

“ Never would of thought switching teams for on Fall Ball season back in tht mid 90s would have changed my life so much. That decision opened my life to a great friend, a great family and to many laughs to keep track of. Whether it was golfing, softball or just hanging out with all the wonderful people I met through LeRoy and his family I will always be thankful. Rest In Peace my friend, you and yours will always be in my thoughts and prayers.

“ During our early adulthood, Lee and Marsha were very close friends to Ruthie and I. We lived in the same apartment complex and bought our first homes very close to each other in Boulder Hill. We played softball and basketball together. I always admired Lee. He was fun to be with and was one of the classiest guys that I ever had the pleasure to know. His death comes with a bitter taste. Lee was always healthy and deserved a long life. Ever since I had heard of his illness, I have thought about him and Marcia. I know what Marcia has been through, having gone through the same type of cancer with my lifelong love and friend. I pray for Lee and Marcia and Family. I hope that his spirit will live forever through his family. The pain and suffering are done and a richly deserved gift is awaiting my dear old friend!

“ *"No man ever loved his family and friends more than Butch. He and Marcia were one of the greatest gifts in our lives. The love they shared is a beautiful legacy that will live on forever. All of us that were blest to know him will miss him with an unconsolable grief. You fought harder than anyone thought was possible, so now, rest in peace dear friend. Until we meet again, we will try to remember all the great times. Forgive us for the tears we shed but we will miss you forever." Joe and Marie*
