“ *My heartfelt sorrow goes out to Ned's whole family at this time. I have known Ned since we moved in across the street from the Wilmot family - and my life was richened by this acquaintance. No matter what the topic, what the problem, what the situation ... Ned had the ability to cut to the core of whatever ... and put everything into its proper perspective. His logic was a source of amazement for me. I knew him as a wonderful family man, a friendly and helpful neighbor, and (at times) even a mentor. We've shared some fine times together, and I am now reflecting on them with feelings of warmth and pleasure. You, sir, will be missed by many, many people. I feel honored to be included among them. God speed!*

*Ned, may your road to Heaven be straight, the weather clear, your highway dry, and your destination yard gate wide open and eagerly awaiting you.*
