“ This is been on my mind almost every day. Maybe this is a way to tell you the impact you had on me. When I was young and working at Aurora Pump with you, you always looked so pretty. You also had a little lotion below your eyes. I always thought that was weird, I was young, and now that I'm older, guess who always has a little lotion under her eyes. Every morning.. EVERY morning I think of you and I get it! Thank you.
