“ We are saddened by your great loss Rich and Linda's sisters and brother! Although Linda's time on earth was shortened, she gave her all to her community and to help those less fortunate than most of us! Linda and I, for 10 years were Cosmopolitan `Hands Across the Border` Contributors toward Diabetes Research in our respective countries! At each annual convention, we would stand together, cheques in hand and arms around each other, donating to a cause we both believed in! Linda had a gentle spirit, a kind heart and a warm smile for all. She and Rich were inseparable and so happy together! I will miss my friend very much, as will many other Cosmopolitan friends! Brian and I will honor and remember you, my friend always! May you rest in heaven, Linda as you so richly deserve and Rich may you find peace and comfort in the love and grace of others! Our condolences and warm, loving thoughts, Marilyn & Brian Mitchell, First Lady and Past International President Cosmopolitan International

“ I have fond memories of Linda accompanying Rich as we traveled within the Seventh Federal Reserve District to conduct Regulatory Reporting outreach sessions. Linda was always helpful in providing us her thoughts and ideas from a banker's perspective. Linda and Rich's bond and love for each other was always on display, I envied what that had. May Linda rest in peace and may Rich find peace in reflecting on the great memories that God allowed them to have together during her time with him.
