“ Chris I am so sorry for yor loss. Your mom will be missed so much by our department. She was one of our most dependable, efficient employees and a great source of common sense wisdom. I remember when we were first going to hire her, my boss Tom Taylor said, "I've solved our cashier problem...I stole a 'professinal cashier' away from the bank! "

“ My Condolences to the Hall family. Linda will be missed. I always remember her at the cash register at Copley's cafeteria waiting to tally me up, asking "bubbles, bubbles"? In other words if my water was soda pop. God rest her soul.

“ Linda was such a bright addition to the Rush Copley family. She greeted so many visitors and employees each morning with a smile and warm greeting - sometimes even a bit of sarcasm and humor to non-Packers fans during football season. She will truly be missed.

“ Linda was such a delightful person to know. We met at Rush-Copley. She was always cracking jokes and we quickly became joke-sharing friends. We enjoyed swapping various past trivia--the “remember when” kind. Whenever we were stumped for the answer, she'd say she would go home and ask her son, Chris, then she'd tell me the next day. I knew when we got her singing, it would be a wildly fun day. I miss her. My kindest thoughts and prayers to her family. *Karen Schmidt*
