“ I love this picture and I will always remember her like this.
I golfed with her for as long as I can remember. She would start the season with a great tan, from being in Florida and we had a good time together
God bless the family

“ So many years of wonderful memories. From sitting in the sun by the pool to happy hour and the many restaurants that we went to in the Miami area.

You were always ready to go shopping, even at a moments notice. How you used to laugh at me when we would go to the checkout at Bealls and every time they did not give me my discount even after showing them my card. It became a joke to see if I would get it or not.

How we loved to go to Duffy's!!! It was our go to place. Sitting out on the deck, enjoying a cocktail while watching the yachts on the water. Great drinks, great food, great atmosphere and especially great friends to share it with.

You were so full of life!!! Always smiling. Even when you had to put up with all of our Skowhegan talk!!!

You were a wonderful friend whom we will miss terribly.

This season in Miami was not the same without you and Ed. It will never be the same. But we have wonderful memories of the great times that we had.

We will always love you.
