“ I am a very old friend from Pat's past (Lorraine's daughter). I met Lorraine a few times years ago because of my co-worker/ friend relationship with her daughter. She was a soft spoken charming lady. She was an acquaintance of my own mother-in-law, Tillie Jensen. I want to offer my sincere condolences to Pat for the loss of your mother. I lost my parents a couple of years ago and I feel your pain. She had a long happy life. If you are in town for her funeral please give me a call so we can catch up. Unfortunately I had to work at the hospital the day of her funeral.  
Take care and sorry for your loss,

“ We sure will miss Momma G. She will always have a special place in our hearts. It was impossible to not be happy around her. We will cherish our many years of memories we have of her. One thing for sure, we were always laughing. She was one special lady.
