“ My deepest condolences and sympathy extend to Lorraine K. O’Malley and her family. I had the pleasure of working with her years ago at Edward Hospital Patient Accounts Department. It saddens my heart to learn of her passing. Lorraine was always dependable and ready to go to work. We shared ordering supplies for the department as well as many laughs and good times together. Lorraine I certainly will miss you. May you and your husband finally share eternal peace and happiness together. I will miss that special smile. My deep felt sympathy to the O’Malley family. God Bless you all. Sincerely, Joan Magurno-Marszalek

“ Lorraine was so wonderful to work with during the sports seasons at East Aurora. She and Tom were great supporters to the school and myself, they have both been missed from being a part of the games. And the connection they had with my family was a nice way to connect myself more to the Tomcats.

“ My deepest condolences for your loss. Lorraine was so kind and a ball to hang out with. Her memory will carry on with all the youth she impacted. A fondest memory was taking training together but really we would mute it, drink coffee and chat about her beautiful family! The love she had for you all truly showed in the deep conversations we had. First and foremost she had love!
