“ I was a new member of her Wed. morning bowling team several years ago. She welcomed me and made me feel part of the bowling team right away. The team name was Friends. She would encourage me to relax and bowl for the fun of it. This helped me calm down and I did better. I thank her for doing the coaching. I will miss her this coming season.

“ Although you are gone you surely won't be forgotten. My childhood memories of you will always be with me your unique laugh your special smile. I remember asking you what you thought of Willie Nelson and without blinking and eye you said that pot smoking long haired hippie. That conversation with you was well over 35 years ago everytime I hear Willie Nelson singing a song I think of you saying that and it brings a smile to my face everytime. God bless you Auntie Jean you will be missed by all.
