“ My sincere condolences to the Sullivan family at the loss of your loved one. I didn't know Marge but I am on the Bell Labs Retiree Luncheon email list managed by Paul Bufkin. Working at Bell Labs, we were often like one big family. Sending thoughts and prayers your way.. Liz Dor

“ Marge was such a special person. We spent many hours together counting money and sharing stories. She had so many beautiful and sometimes funny stories about her growing up life, her family and friends, her children, grandchildren and experiences and memories of traveling with George. She was a beautiful, compassionate, loving, religious soul. I will miss her contagious smile and kind heart.

“ I love the book a tree grows on Brooklyn. When I found out Margaret was from Brooklyn I to ask her about it. Well we sat for about 2 hours talking about Brooklyn. We all know how chatty she can get...lol. I was fortunate enough to hear these wonderful stories of her childhood and younger years!! Of course I heard how she met George!! I will cherish these memories!!
