“ *Hi Momma, I know this last night of yours was so hard on you a year ago, you fought so hard to breathe and to hang on to get to one more day. I remember you stopping breathing so long in between breaths, but you fought to stay. I love you and miss you and am so glad you are back with the love of your life. My heart hurts right now, but I am also so comforted by that. Love you forever and ever. Jo* ”
