“ Mommy you will be missed so so much. There is an emptiness in all of our hearts. You are not physically here but we feel you around us everyday. The boys are very sad you are not around but they share memories of the time you were with them. Julian talks about you everyday and wants to be better so you can be proud from up above. Thank you for all the wonderful memories you made with us and for always helping us out. You are the best Grandma ever ❤️!!
