She started her career at Cetron in Geneva and later retired from Richardson Electronics. Maria will be forever remembered for her love of flowers, how proud she was of her garden each year, how she and Antonio never missed a chance to get on the dance floor, and how everyone loved her homemade flour tortillas. She will be greatly missed by her husband, family, and friends.

“ I would like to extend my condolences to your family. Although it is difficult to lose those we love, there is much comfort in remembering the times they brought us joy and laughter. May fine memories as well as the love and support from family and friends bring your family peace during this extremely difficult time.

With sympathy,

Elle Hill
