“ *My deepest sympathy to all of Marie's family but especially to Judy and Mary who I have become good friends with. Judy, I want you to know how much I appreciated you and Mom going with me on weekly visits to see Doris over the last few years. Your Mom was a real trouper as I'm sure a memory care center was the last place she wanted to visit. I know she did it out of love for Doris and me. That was the kind of person your Mom was. And Mary, I am so fortunate that we have become friends. You and Jim have been a rock for Judy during these last couple of weeks and I know she couldn't have done it without you. Again I am sorry for your loss.*
